

Luca Rinaldi

Date and place of birth:

June 18, 1986 - Como (Italy)

Family:

1 son (2017)

Nationality:

Italian

Work address:

Department of Psychology
University of Milano-Bicocca
Piazza dell'Ateneo Nuovo, 1 - Room 3122
20126, Milano (Italy)

Mobile: +39-333-3979021

e-mail: luca.rinaldi@unimib.it

Education

January 2012 – January 2016

Ph.D. in *Experimental Psychology, Linguistics and Cognitive Neurosciences* at the University of Milano-Bicocca (Italy).

Thesis entitled: "Sensorimotor experience biases human attention through space and time".

Supervisor: Prof. Luisa Girelli, Ph.D.

September 2008 – October 2010

Master's degree in *Developmental Psychology and Neuropsychology* at the University of Milano-Bicocca (Italy).

Thesis entitled: "The role of number-space associations in preschoolers' numerical competence".

Supervisor: Prof. Luisa Girelli, Ph.D.

September 2005 – July 2008

Bachelor's degree in *Psychological Sciences* at the University of Milano-Bicocca (Italy).

Research positions

January 2017 – present (2 year grant)

Post-doctoral research fellow

Department of Psychology, University of Milano-Bicocca (Italy).

Main theme of research: "Grounding time through sensorimotor integration".

Supervisor: Prof. Luisa Girelli, Ph.D.

January 2016 – December 2016

Post-doctoral research fellow

Department of Brain and Behavioral Sciences, University of Pavia (Italy).

Main theme of research: "The role of the human cerebellum in memory processing".

Supervisor: Prof. Tomaso Vecchi, Ph.D.

June 2016 – September 2016

Visiting fellow

Centre for Brain and Cognitive Development of the Birkbeck University, London (UK).

Main theme of research: "Sensorimotor involvement in serial order processing over developmental time".

Supervisor: Prof. Annette Karmiloff-Smith, Ph.D.

Research and clinical experience

January 2013 – September 2013

Visiting research student at the Department of Neurology, University Hospital Zürich, Zürich (Switzerland).
Supervisor: Prof. Peter Brugger, Ph.D.

January 2012 – June 2012

Visiting research student at the Cognitive Neuropsychology Laboratory of the Ben-Gurion University of the Negev, Beer Sheva (Israel).
Supervisor: Prof. Avishai Henik, Ph.D.

February 2011 – July 2011

Visiting research student at the Cognitive Neuropsychology Laboratory of the Ben-Gurion University of the Negev, Beer Sheva (Israel).
Supervisor: Prof. Avishai Henik, Ph.D.

October 2010 – March 2011

Clinical practice at UONPIA (Operative Unite of Child and Adolescent Neuropsychiatry), Sant'Anna Hospital, Olgiate Comasco, Como (Italy).
Supervisor: Grazia Manerchia, M.D.

March 2008 – July 2008

Clinical practice at UONPIA (Operative Unite of Child and Adolescent Neuropsychiatry), Busto Arsizio Hospital, Tradate, Varese (Italy).
Supervisor: Roberta Urbinati, M.D.

Grants

June 2016 – August 2016

Study Visit Grant funded by the Experimental Psychology Society (£ 2.000).
Research project: “A view from the top of the cascade: sensorimotor processing constrains serial order abilities over developmental time”.
Host institution: Birkbeck, University of London. Supervisor: Prof. Annette Karmiloff-Smith.

January 2016 – October 2016

Research Grant funded by the University of Pavia (€ 12.000).
Research project: “The role of the human cerebellum in memory processing”.
Host institution: University of Pavia. Supervisor: Prof. Tomaso Vecchi.

December 2013 – December 2015

Two-years grant (“Fondo Cariplo”) funded by Fondazione Cariplo (€ 4.000).
Research project: “Pitch and grasp the sound! Action planning dances on pitch dimension”.
Host institution: University of Milano-Bicocca. Principal investigator.

January 2012 – January 2016

Four-years Ph.D. scholarship co-funded by Fondazione Cariplo (€ 15.336/year).
Main theme of research: “Sensorimotor experience biases human attention through space and time”.
Supervisor: Prof. Luisa Girelli.

February 2011 – August 2011

Eight-months scholarship (\$ 6.400) from the Ministry of Foreign Affairs (Israel), Cultural and Scientific Affairs Department.

Research project: “The role of reading direction in number-space associations”.

Host institution: Ben-Gurion University of the Negev. Supervisor: Prof. Avishai Henik.

Honours and Awards

September 2017

Best Italian PhD Thesis (€ 500).

Sessione di Psicologia Sperimentale, AIP (Italian Psychological Association).

September 2017

Travel Grant (€ 250).

Sessione di Psicologia Sperimentale, AIP (Italian Psychological Association), Bari (Italy).

May 2016

Expert Evaluator, France National Research Agency, ANR (Agence Nationale de la Recherche).

May 2016

Article “Walking on a mental time line” selected for the journal cover page of *Cortex*, volume 78.

November 2013

The Patrizia Tabossi Price (€ 300) for the best oral presentation.

Title of the presentation: “Pitch and grasp the sound! Action planning dances on pitch dimension.”

The Trieste Symposium on Perception and Cognition, Trieste (Italy).

September 2012

Best oral presentation price (€ 500).

Title of the presentation: “Influenza contestuale dei sistemi di letto-scrittura nei processi di attenzione visuo-spaziale.”

Sessione di Psicologia Sperimentale, AIP (Italian Psychological Association), Chieti (Italy).

Academic Teaching

Academic Year: 2017 – 2018

- *Methods in Neurosciences: Motion Capture and 3D Kinematic Analyses* (Language: Italian)

Doctorate School in Psychology, Linguistics and Cognitive Neuroscience.

University of Milano-Bicocca (Italy).

- *Cognitive and Behavioral Measures* (Language: English)

Master’s Program in Applied Experimental Psychological Sciences, Department of Psychology.

University of Milano-Bicocca (Italy).

- *Cognition, Multisensoriality and Emotion* (Language: Italian)

Master’s Program in Experimental Psychology. Department of Brain and Behavioral Sciences.

University of Pavia (Italy).
